

Equality and diversity policy

Statement of intent

Our nursery is committed to providing equality of opportunity and an anti-discriminatory practice for all children and families.

Aim

We aim to:

- provide a secure environment in which all our children can flourish and in which all contributions are valued;
- include and value the contribution of all families to our understanding of equality and diversity;
- provide positive non-stereotyping information about different ethnic groups and people with disabilities;
- improve our knowledge and understanding of issues of equality and diversity; and
- make inclusion a thread which runs through all of the activities of the nursery.

The legal framework for this policy is:

- Race Relations Act 1976;
- Race Relations Amendment Act 2000;
- Sex Discrimination Act 1986;
- Children Act 1989;
- Special Educational Needs and Disability Act 2001.

Methods

Admissions

Our nursery is open to all members of the community.

- We advertise our service widely.
- We provide information in clear, concise language, whether in spoken or written form.
- We can provide information in as many languages as possible.
- We base our admissions policy on a fair system.
- We do not discriminate against a child with a disability or refuse a child entry to our nursery because of any disability and will make all reasonable adjustments to the building, equipment and flow of the nursery to accommodate.
- We ensure that all parents are made aware of our equal opportunities policy by putting a copy on our facebook page, our website and having our policy book out every day.

- We develop an action plan to ensure that people with disabilities can participate successfully in the services offered by the nursery and in the curriculum offered.

Employment

- Posts are advertised and all applicants are judged against explicit and fair criteria.
- The applicant who best meets the criteria is offered the post, subject to references and checks by the Criminal Records Bureau. This ensures fairness in the selection process. All job descriptions include a commitment to equality and diversity as part of their specifications.
- We monitor our application process to ensure that it is fair and accessible.

Training

- We seek out training opportunities for staff and volunteers to enable them to develop practices which enable all children to flourish.
- We review our practices to ensure that we are fully implementing our policy for equality and diversity.

Curriculum

The curriculum offered in the nursery encourages children to develop positive attitudes to people who are different from themselves. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- making children feel valued and good about themselves;
- ensuring that children have equality of access to learning;
- reflecting the widest possible range of communities in the choice of resources;
- avoiding stereotypes or derogatory images in the selection of materials;
- celebrating a wide range of festivals;
- creating an environment of mutual respect and tolerance;
- helping children to understand that discriminatory behaviour and remarks are unacceptable;
- ensuring that the curriculum offered is inclusive of children with special educational needs and children with disabilities;
- ensuring that children whose first language is not English have full access to the curriculum and are supported in their learning.

Valuing Diversity in Families

- We welcome the diversity of family life and work with all families.
- We encourage children to contribute stories of their everyday life into the nursery.
- We encourage parents/carers to take part in the life of the nursery and to contribute fully.
- For families who have a first language other than English, we value the contribution their culture and language offer.

Food

- We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.
- We help children to learn about a range of food, cultural approaches to mealtimes and eating and to respect the differences among them.
