

No smoking policy

Policy statement

The nursery complies with health and safety regulations and the safeguarding welfare requirements of the Early Years Foundation Stage in making our setting a no-smoking environment both indoors and out.

Procedures

All staff, parents and volunteers are made aware of our No-smoking policy.

We display no-smoking signs.

The no-smoking policy is stated in our information for parents.

We actively encourage no-smoking by having information for parents and staff about where to go get help to stop smoking if they are seeking this information.

Staff who do smoke do not do so during working hours, unless on a break and off the premises.

Staff who do smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues.
